

At Moorpark College, we appreciate the crucial role you play in your son or daughter's academic success, personal growth, and in their college decision-making process. We would like to invite you to our **Parent and Family Night on Wednesday, October 14th** to help you gain a better understanding of all that Moorpark College offers as an educational institution, a community, and to answer any questions you may have.

Parent and Family Night is your opportunity to get to know faculty, staff and resources that are available to you and your student when they attend. Our hope is to create the initial steps of a strong partnership with our families for student success.

To participate in the event, please RSVP by following the link [Parent and Family Night](#). **Check-in will begin at 5:30pm** and light refreshments will be provided.

We will send a message to the email you used for registration at least one week prior. This email outlines all you need to know about your arrival, check-in, parking, etc. Please read carefully through this email so you are fully prepared for Parent and Family Night.

Sincerely,

Jesus
