

PLEASE READ THE ENTIRE SHEET BEFORE SELECTING A PROGRAM OR COURSE

The Student must see his/her Counselor for approval prior to starting the course(s) with the Request to Enroll in a Non-District Instruction Program form available in the Counseling Office. It is the responsibility of the student/parent to research the different options to determine the best choice for the individual student and their upcoming college plan

OTHER

The California High School Proficiency Examination (CHSPE) is a testing program established by California law (*education code section 48412*). If eligible to take the test, you can earn the legal equivalent of a high school diploma by passing the CHSPE. The CHSPE consists of two sections: English Language Arts and Mathematics. Cost: Fee

The final responsibility for meeting graduation and/or college requirements rests with the students and his/her parent/guardian. Only graduation requirements will be placed on official transcript.
