Eligibility & Extra Curricular Activities Reminder

- All students who wish to participate in performing arts, activities, or any other extra-curricular activities are **required** to meet the **standard of eligibility** for extracurricular activities, which has been determined by the **SVUSD** Board of Education.
- **A minimum GPA of 2.0** must be maintained at **each quarter**, with **only one failing grade (F)** allowed, and **only one Unsatisfactory (U)** in citizenship allowed.

Eligibility & Extra Curricular Activities Reminder Cont.

- Students who are enrolled in a performing arts class, mock trial, etc. and do not meet the eligibility criteria may only take part in the co-curricular activities of the class.
- In addition, members of all “**Courts**” (dances) must be eligible at the time of their election.
- **Are you eligible?**

Have you been Academically Honest?

- **Consequences** for cheating at SSHS include receiving a failing grade, not being allowed to make up the work and/or points, and other disciplinary actions including suspension.
- **The first** time a student is caught cheating a warning will be issued and a zero will be the grade earned on the test/assignment. **The second time (in any class)** will result in a drop/fail from the class.
- **The rule of thumb is -- if you are not sure...don't!**

Why are quarter grades important?

- They mark the half-way point to the semester grade, which then is permanent.
- They are used to determine
 - eligibility for participating in after school activities,
 - eligibility for a work permit,
 - off-campus lunch pass (seniors only)
