

# TROUBADOURS

## WELCOME TO SECOND SEMESTER

**Your 2nd semester schedule is now visible on Aeries. To view your classes, find under the “Student Info” tab and click on “Classes.” Be sure to uncheck the box “View Current Term Only.”**

**Schedule changes will only be made for the following reasons:**

1. You are a senior lacking a graduation requirement not listed on your spring schedule.
2. You were assigned a duplicate class.
3. Your schedule is missing a class or period.

No other schedule changes will be allowed. If you meet one of the above criteria, either email your counselor or sign up for an appointment using the link at the bottom of this email. Appointments will be 10 minutes long and will be on December 16, 17, and 18, from 1:00-3:00 pm.

If your class period is different from 1<sup>st</sup> semester but it is still the same teacher, we will not change the period.

Please remember most classes are year-long and cannot be dropped, added or changed for 2<sup>nd</sup> semester.

If you are a peer tutor, science lab assistant or teacher aide, please come to the counseling office at the beginning of that period to have your teacher assigned.

Most issues can be resolved without an appointment. Please email your counselor with your specific issue:
